2017 Library of Rhode Island ILL Statistics and Technology Scan

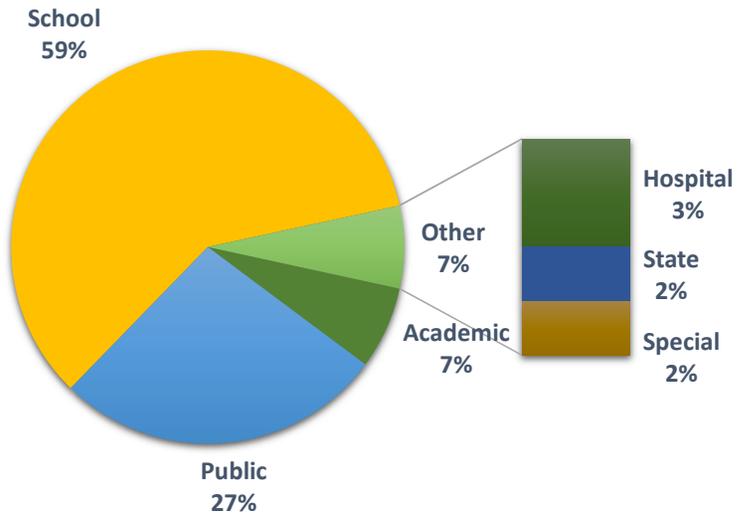

RI Office of Library & Information Services

The data in this report was collected through the Library of Rhode Island (LORI) Certification from January to March, 2017.

The Technology Scan is part of the Certification and consisted of more than 50 items/questions. The data in this report is only a selection of the Scan. Additional data is available from OLIS.
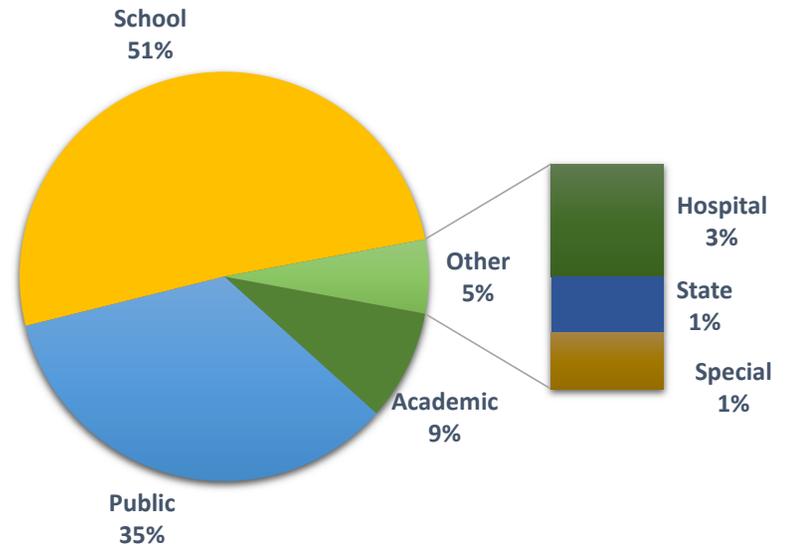

LORI Certification was held in the midst of fiscal year 2017, the ILL statistics gathered were the results from fiscal year 2016.
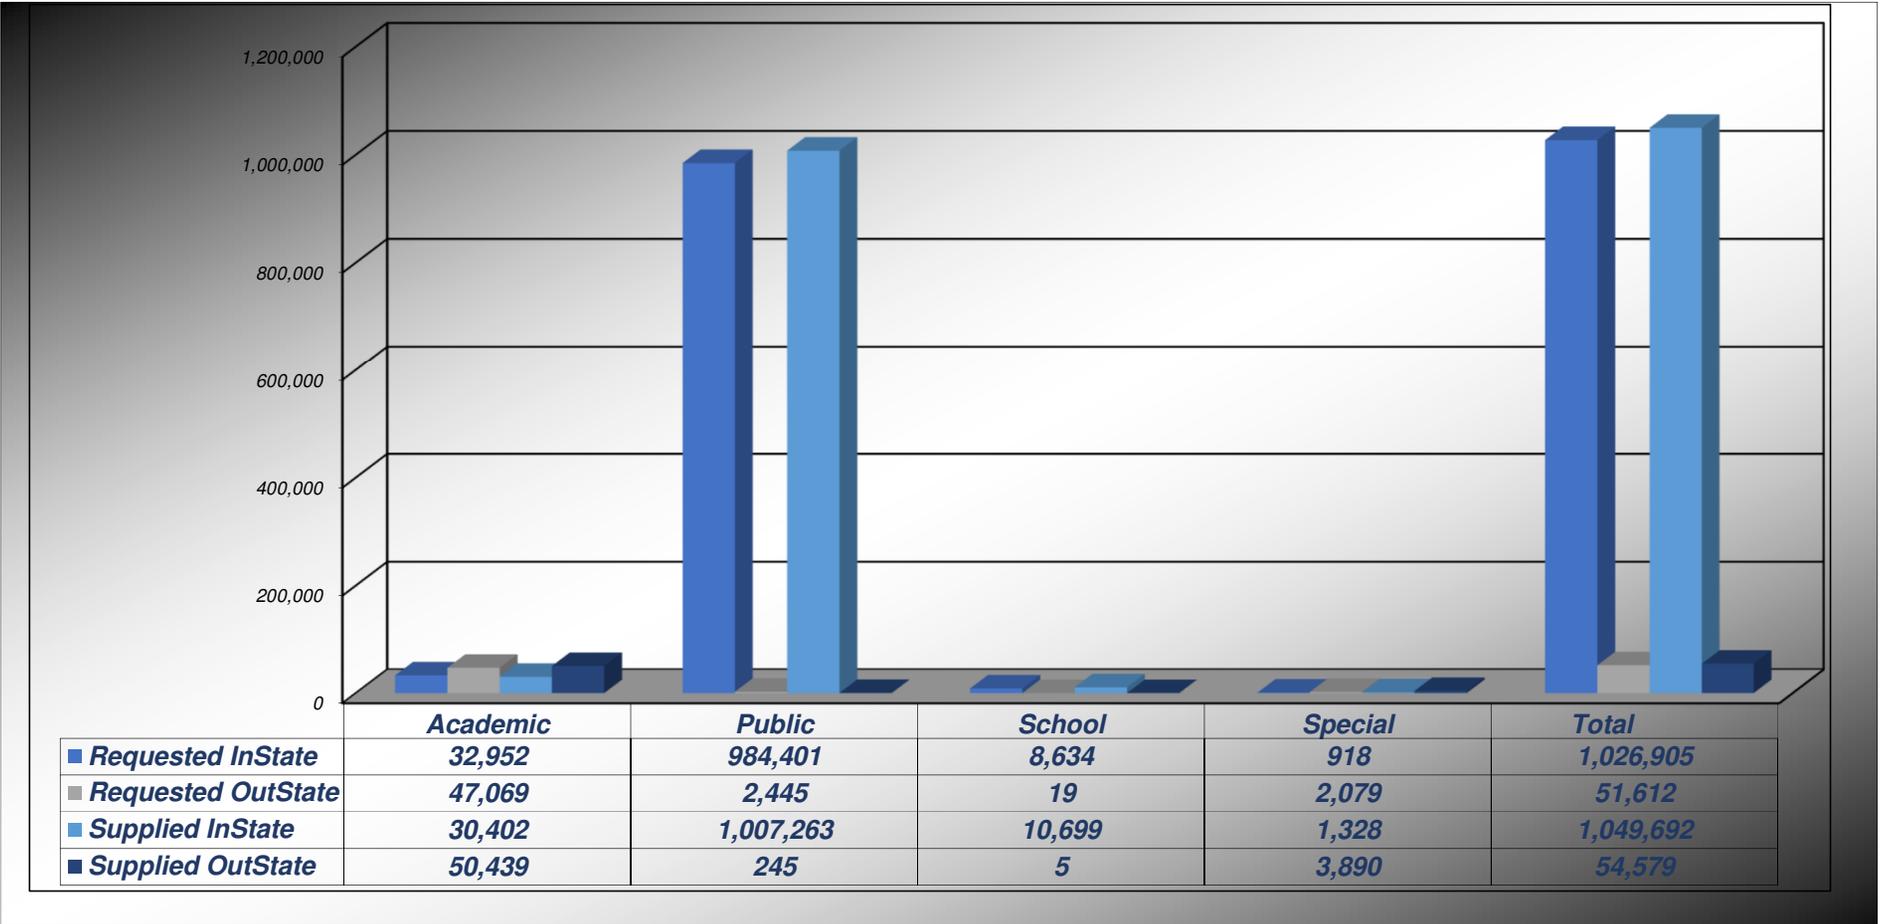

Composition of LORI Libraries
