## 2024 Rhode Island Public Library Statistical Report: General Information

Release date: January 2025

These data tables are part of a statistical report based on data collected in the 2024 Rhode Island Public Library Annual Survey. The full report is located on the Office of Library and Information Services website at <https://olis.ri.gov/programs-and-support/library-statistics/public-library-annual-survey>.

Data collected through the Annual Survey covers FY2024 (July 1, 2023 - June 30, 2024). The deadline for the report submission was September 15, 2024.

The Office of Library and Information Services (OLIS) participates in the national Public Libraries Survey (PLS), which is administered annually by the Institute of Museum and Library Services (IMLS). Data submitted to the PLS goes through a vetting process to ensure accuracy. Preliminary data is returned to the states annually, but is not considered finalized until published by IMLS. The data made available by OLIS through this statistical report is preliminary data, with a few corrected data points from individual libraries.

If you have questions about using the data, suggestions for improvements, or have developed analyses that would be helpful to the community, please contact Kelly Metzger (email: [kelly.metzger@olis.ri.gov](mailto:kelly.metzger@olis.ri.gov)).
