

## 2025 Rhode Island Public Library Statistical Report: General Information

Release date: December 2025

These data tables are part of a statistical report based on data collected in the 2025 Rhode Island Public Library Annual Survey. The full report is located on the Office of Library and Information Services website at <https://olis.ri.gov/programs-and-support/library-statistics/public-library-annual-survey>.

Data collected through the Annual Survey covers FY2025 (July 1, 2024 - June 30, 2025). The deadline for the report submission was September 15, 2025.

The Office of Library and Information Services (OLIS) participates in the national Public Libraries Survey (PLS), which is administered annually by the Institute of Museum and Library Services (IMLS). Data submitted to the PLS goes through a vetting process to ensure accuracy. Preliminary data is returned to the states annually, but is not considered finalized until published by IMLS. The data made available by OLIS through this statistical report is preliminary data, with a few corrected data points from individual libraries.

If you have questions about using the data, suggestions for improvements, or have developed analyses that would be helpful to the community, please contact Kelly Metzger (email: [kelly.metzger@olis.ri.gov](mailto:kelly.metzger@olis.ri.gov)).

**NCES Locale\*** - IMLS assigns locale codes using the 2023 NCES locale framework. See NCES locales tab for more details.

**Total Weeks Open†** - This figure is only for the central library in libraries with multiple outlets.

Number of weeks open for individual outlets can be found on the Branches tab.

For PCL, this figure represents the mode (most frequent figure) for number of weeks open among the 10 outlets.

**Total Square Feet‡** - This figure is the sum of all outlets in the library system. Square footage for individual outlets can be found on the Branches tab.
